November 3, 2021

Dear Community Members,

Olivet Community Schools is partnering with Mr. John Silveri from the Michigan Leadership Institute in the development of a new strategic plan for our district. You may remember Mr. Silveri from the superintendent search that MLI conducted for the district in the spring of 2020. We are looking forward to the strategic planning process as we develop our mission, vision, and goals for the future. The district is at a critical point and this work will be very important to our moving forward. The first step in the process will be to gather stakeholder input and data. To that end, John Silveri will be hosting a number of stakeholder feedback sessions next Tuesday, November 9, 2021. There will be opportunities for students, staff, parents, and community members to meet with Mr. Silveri. The schedule for the day is included below. Please join us for these important stakeholder sessions.

Time	Group	Location
9:30 - 10:30	High School Students	Auditorium
10:45 - 11:45	Community/Parents	Auditorium
12:45 - 1:45	Administrative Team	OMS Library
2:45 - 3:45	All 6-12 Staff	OMS Library
4:00 - 5:00	All K-5 Staff	OMS Library
5:30 - 6:30	Community/Parents	OMS Library

Once the stakeholder meetings have taken place we will begin setting up planning committee meetings. The planning committee will be composed of about 35 people including representatives from the district and community. The planning committee will meet approximately 3-4 times over the next several months. Our goal is to have the new strategic plan completed by the end of the 2021-2022 school year. If you have an interest in serving on the planning committee, please contact me at mertzj@olivetschools.org.

Sincerely,

John W. Mertz
Superintendent
