

# Recycling Site for Southwestern Eaton County

Bellevue Township, the City of Olivet, Village of Bellevue, and Walton Township have partnered to provide our residents an opportunity to recycle closer to home. This cooperative effort is being established to provide our community members with a requested “green” service that will benefit current and future generations.

The site has scheduled hours and is staffed. We ask for your cooperation in following all rules and directions given by site staff.

## Site Location

The recycling drop off site is located on the south side of Butterfield Hwy. just west of the City of Olivet.

## Site Hours

The site will be open on Wednesdays from 8:00 AM to 11:00 AM and 4:00 PM to 7:00 PM.

The site will not be open on recognized federal holidays.

## Recyclable Items Accepted

The site will accept the following items for recycling. Please place the recyclable materials in the correct containers.

**Container 1 – 30 Yard Compartmentalized Container:** This container will have compartments designated for the placement of plastics, glass, and tin.

Items accepted: clear, green, and brown glass jars and bottles, food cans, foil, pie tins, lids from jars, milk jugs, laundry and hair care bottles, plastics #1,2,3,4,5,& 7

Items not accepted: plastic grocery bags or wrap, Styrofoam, microwave containers, materials not rinsed or cleaned, scrap metal, window glass, wire hangers, batteries, motor oil, aerosol cans, drinking glasses, light bulbs, plastic knives, forks, and spoons.

**Container 2 – 8 Yard Container:** This container will be for cardboard and paper.

Items accepted: newspaper, including inserts and comics, flyers, magazines and catalogs, telephone books, cereal boxes, office paper, junk mail, maps, Post-it notes, cardboard, brown paper bags.

Items not accepted: pizza boxes, facial tissues, waxed or laminated paper, food wrappers.

Questions should be directed to Bellevue Village Hall at (269) 763-9571 or Olivet City Hall at (269) 749-4961.
